Enfin un peu de cal...
Mais qu'est-ce c'est
que ça ?

Quelques heures
plus tard...

J'ai mal à la
tête... Et si j'allais
me reposer près de "mon"
lac ?

Il faudrait que
je file mais...
je ne peux rien.
Je ne contrôle plus rien !

Incredable,
je peux respirer !

Ce va se faire soudaine-
ment projetée contre une
paroi.

Aaahh
!!!
